

06 : Asking Directions ②

Practice

Jun: Excuse me. Can I ask you something?

Kevin: Sure, what is it?

Jun: I'm sorry to bother you, but do you happen to know how to get to this cafe?

Kevin: Which one? Can I take a look?

Jun: This one on the map, I heard it's a famous cafe here.

Kevin: Oh, yeah. Uh... Just go down this street and turn right at the second corner. You'll see it next to a grocery store.

Jun: A grocery store? Like a supermarket?

Kevin: That's right. You know "Whole Foods Market", right?

Jun: Yes, I've heard of that. It must be big and easy to find?

Kevin: You can see a big sign at the corner. So you won't miss it.

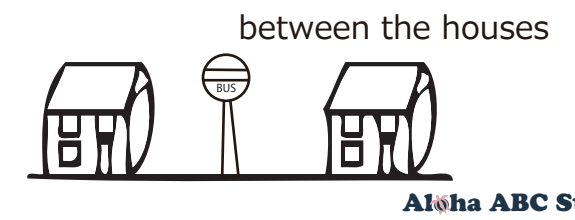

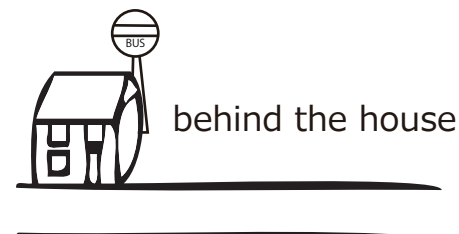

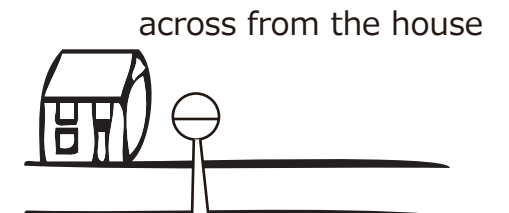

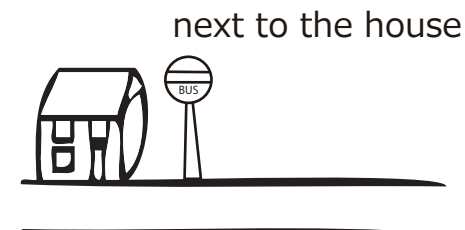

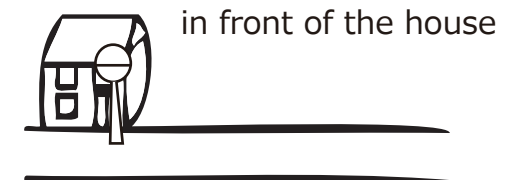

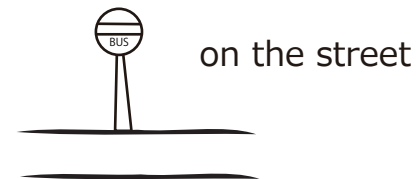

Jun: Thank you!! I appreciate it.

Kevin: No problem. Have a nice day!

Jun: Thanks, you too!
