

- Ken: Hey, did you see the match last night?
- Jun: Yeah, of course. You know, everyone is eating sleeping and breathing rugby. The match was totally worth watching. I was shouting and screaming once Japan got the 1st 7 score.
- Ken: You're right. The Rugby WC has made everyone quite excited. And our team, they were playing really well, plus be precise and smart.
- Jun: I was so nervous when the Scotland team scored a try at the beginning of the first half. They also made some impressive blocks but eventually our team got through it. Hope we have more matches like this.
- Ken: Yep...never before has any team from Asia reached the quarter-finals of a Rugby World Cup. I can't wait for the next match.
- Jun: What do you think about the next match with South Africa? They are indeed very strong.

- Ken: Yes, but it remains to be seen what they can do against our team. That would be an amazing match.
- Jun: Let's see what happens. By the way, how about coming over to my place for a quarter-final? I am going to host a party and others will also be there.
- Ken: Wow, I'll surely be there. Thanks for the invite.
- Jun: Great. Catch you soon.
