

Kate: Hey, you've got a minute? I need your advice.

Jun: Sure. What is it?

Kate: I wanna add some stocks to my portfolio.

Do you think it's a good timing to buy more stocks now?

Jun: I see. Which stocks are you going to buy this time?

Kate: I'm thinking about buying some stocks of Aloha Sky Holdings.

Jun: You know, the stock market has gone down recently.

You could lose some money... but in a way, it's a good chance.

I guess you can make money in a long term.

Kate: Yeah, maybe I should buy more now,  
as it is said that time is such an important factor to make asset.

Jun: Right. If you wanna take a chance, you'd better hurry.  
You should do some reserch before you buy more stocks though.

Kate: I'm thinking about getting the Shikihou, the quarterly  
corporate report. Do you think it would be helpful?

Jun: I guess so, but you might want to get information  
before the report will be published.

1. Do you buy any stocks recently?

2. Have you lost or won in investment?
